BRAZOS RIVER AUTHORITY WATER SURVEY - RETAILER

RETAIL WATER SUPPLIER NAME: _____

CONTACT PERSON: _____

Address: _____

Phone: _____

Fax: _____

Email Address: _____

COMMENTS ON 2001 PLAN POPULATION AND WATER USE (See letter.)

COMMENTS ON 2001 PLAN WATER SOURCE(S) (See letter.)

COMMENTS ON TWDB INITIAL POPULATION PROJECTIONS (See letter.)

SOURCE OF WATER

___ Purchased Water

From whom do you purchase water?

Do you purchase raw or treated water?

What is the annual contract amount of the purchase?

___ Groundwater

Please list the capacity, characteristics, source aquifer and locations of exiting wells:

___ Surface Water

Please list the source of your raw water and any information you may have on the reliability of this supply as well as the water quality:

WATER TREATMENT (if applicable)

___ No treatment applied

___ Groundwater

What, if any, type of treatment is applied to your groundwater:

___ Surface Water

Please provide general information about your water treatment plant(s), including: location, capacity, type of treatment process, condition of the plant(s), and water quality of the finished treated water. Also please provide a process schematic diagram of your treatment plant(s) if available.

WATER SUPPLY/DISTRIBUTION SYSTEM

Please provide water distribution system, CCN and/or service area mapping if available. Helpful information on the water distribution system map would be: size and location of existing water pipelines, as well as locations and capacities for existing elevated and ground storage and pump station(s).

Please provide any information you may have on system losses or unaccounted water.

WATER SALES

Please provide data on historical number of connections and water use over the past 3 years:

Do you have any sales for industrial water use (including electric power generation)? If so, please list the name of the facility(ies) and the annual use for the last 3 years and whether the sale is raw or treated water.

Wholesale Sales

List any wholesale water sales agreements you have, including the annual contracted amount. Also please provide contracts for these water sales.

What are your current water rates (retail and wholesale)?

FUTURE PLANS

Please list any projections you may have for future population and water use.

What, if any, long range plans do you have for development of additional water supply?

What, if any, capital improvement plans do you have for new facilities?

BRAZOS RIVER AUTHORITY WATER SURVEY - WHOLESALER

WHOLESALE WATER SUPPLIER NAME: _____
