

EXPLANATION

- -495
Well used for control
- Number indicates altitude of top of
Wilcox Group
- 500—
Structure contour
- Shows approximate altitude of top of
Wilcox Group
- Dashed where control is less accurate
- Contour interval 250 feet
Datum is mean sea level
-  Twi
- Outcrop of Wilcox Group
- · · · · · —
Contact
- Dotted where concealed
- U
D
— · · · · · —
Fault
- U, upthrown side; D, downthrown side
- Longdashed where approximately located;
short dashed where inferred;
dotted where concealed
